

Experiences and overviews of European Research supporting River Basin Management

Day 2 - 26 September, 2007

Time frame	Programme	Issues				
08.00-09.00	Registration and coffee					
09.00-09.15	Plenary opening	Aim of Harmoni-CA, Conclusions of Day 1, Focus of Day 2 (Day 3 in a glance)			<i>Ir. G.E. Arnold, Rijkswaterstaat RIZA</i>	
09.15-10.15	Plenary session	Experiences with research input in River Basin Management			<i>Speaker</i>	
	Lead: Mrs. A. van Griensven, University of Gent	The role of Pilot River Basins in the WFD: activities, experiences, research, lessons learned			<i>Mrs. F. Somma, Joint Research Centre</i>	
		Why and when to use models in WFD implementation			<i>Mrs. L. Flindt-Jørgensen, GEUS</i>	
		Overview on workshops			<i>Dr. W.J. de Lange, Rijkswaterstaat RIZA</i>	
10.15-11.15 and 11.30-12.30	Session 1; Parallel workshops: presentations and discussions	Overviews on research results and their impacts				
Short title	Software utilities to make integrated modelling better, faster and less costly?	Workshop 1.B Stakeholder participation, human dimension		Workshop 1.C DSS's for decision making & planning	Workshop 1.D Synthesis reports & guidelines	Workshop hands-on WISE-RTD
Organisers	Harmoni-CA, <i>.Blind</i> <i>Mr. M</i>	Harmoni-CA, <i>Borowski</i> <i>Mrs. I.</i>		NOSTRUM-DSS, <i>Prof. C. Giupponi</i>	Harmoni-CA, <i>Mrs. A. v. Griensven</i> <i>Prof. J.C. Refsgaard</i>	SPI-Water T. Vansteenkiste / F Provost
12.30-13.30	Lunch					
13.30-14.30 and 14.45-15.45	Session 2: Parallel workshops: presentations and discussions	How to get information on research projects and results				
Short title	Workshop 2.A Systems guiding your search	workshop 2.B Research programming in European networks		Workshop 2.C Overview of (results of) EC funded projects	Workshop 2.D Cross border knowledge & transfer	Workshop hands-on WISE-RTD
Organisers	Harmoni-CA, <i>Willems,</i> <i>Dr. P.</i>	IWRM-net, <i>Williams</i> <i>Mr. P. Allen-</i>		SPI-Water, <i>Mr. K. Kramer</i>	SPI-Water <i>Mr. M. Briers & Twinbasin XN, Mr. G. Neveu</i>	SPI-Water T. Vansteenkiste / F Provost
16.00-16.40	Plenary session	Near future input from European research			<i>Speaker</i>	
	Lead: Prof. C. Pahl-Wostl, University of Osnabrück	LIFE, WISE-future search for WFD knowledge gaps,			<i>Dr. P. Quevauviller, DG Environment</i>	
		Ongoing and planned research activities,			<i>Mr. Ch. Fragakis, DG Research</i>	
16.40-17.20	Plenary discussion	Discussion on outcome of day 2			<i>Lead: Prof. C. Pahl-Wostl, University of</i>	
17.20-17.30	Plenary closure	Conclusions			<i>Dr. V. Mohaupt,</i>	
20.00-22.00	Conference dinner
